

Parent Remote Learning Agreement

When my child takes part in any virtual learning sessions, I will ensure that:

- the virtual learning will take place in a public living area of the house, e.g. the lounge
- an adult will be present in the room where the virtual learning is taking place
- the video material will not be recorded, stored, or distributed without the permission of the class teacher
- my child uses appropriate language – this includes others in the household in the room the session is taking place
- my child's behaviour is of the standard expected in school
- the necessary equipment and computer programs are used as intended
- my child is able to use a stable connection to avoid disruption to lessons
- my child and the adult in the room always remain aware that they are visible
- I have discussed these expectations with my child before they take part in any virtual learning sessions

By allowing your child to take part in the virtual learning sessions, it is understood that you have given your agreement to follow the above procedures.
