

# Aintree Davenhill Primary School

## Remote Learning

The school is partially closed and we are asking that, wherever possible, you assist your children with their learning at home. We understand this is difficult, and we are here to help!

### Supporting Your Child's Learning

#### Top tips for home learning include:

- Keep to a routine as much as possible so your child knows what to expect.
- Keep active – ensure your child is getting enough exercise and this is incorporated into their daily routine.
- Use different methods to assist learning, e.g. online programmes and documentaries.
- Stay sociable, organise with other parents to arrange video calls with your child's friends so they can stay connected during social hours.

#### For younger children, you can:

- Incorporate learning in make-believe play.
- Play educational games with numbers or letters.
- Involve them in things you are doing, e.g. chores, and talking about them.

### Contacting the School

The school will provide you with all the contact details you will need during partial school closure. When contacting the school, here are four important things both you and your child need to remember:

1

When on a video call, sit in a public area of the house, e.g. a lounge.

2

When on a video call, wear suitable clothing and ensure your conduct is professional.

3

Understand that staff may not always be able to help, but they will try their best.

4

Remember to act in the same manner as if the school were open.

### Additional Information

Additional information you need to be aware of includes the following:

- The school will provide you with important information via ClassDojo, Facebook and the school website.
- Any concerns regarding the safety of your child should be directed to the school's designated safeguarding lead (the headteacher).
