5C Class Assembly

5C's assembly was a brilliant celebration of forces and it was fantastic! The children reminded us of the incredible forces that surround us every day, many of which we often overlook. They expertly explained how pushes and pulls can have such a significant impact, diving into concepts like gravity, friction, tension, upthrust, and elasticity. Their enthusiasm for learning was lovely to see and is something we witness daily in 5C's classroom. We were especially proud of how well the children performed their forces song and memorised their lines for the assembly.

A huge thank you to Miss Clarke, Mrs Hardwick, and Mrs Hughes for their support in preparing the children. Well done, 5C!

3N Class Assembly

3N's class assembly was a joyful celebration all about happiness! The children shared what makes them smile - from spending time with family and friends to playing their favourite games - and expressed what they're thankful for in their lives. They reminded us of the power of laughter and had everyone giggling as they revealed what makes them laugh the most. The children projected their voices with confidence and enthusiasm, and the fabulous song and dance routine to 'Happy' had everyone clapping and singing along. It was a wonderful, uplifting way to start the day.

Thank you, 3N, for making us smile!

Dates for the diary...

June

Wednesday 18th
Y4 9am Sports Day

Monday 23rd
Yr5 Watersports Trip

Thursday 26th
Transition Day

July

Friday 4th
Yr 1 Circus Summer
Fun Day

Friday 11th
BUGFEST
Reception & Nursery

Wednesday 16th
Summer Discos (info to
follow)

Wednesday 16th
Sammy Bags to be
returned

Friday 18th
Yr 6 leavers Service

Year 6 Residential

What a wonderful experience Year 6 had on their residential trip! The children truly had a fantastic time, and it was lovely to see them spending time in each other's company, enjoying the fresh air, and taking on challenges that pushed them out of their comfort zones.

When we visited at different times throughout the three days, Miss Siveyer and I were so proud to witness the excellent behaviour demonstrated by our Year 6 and staff confirmed that this behaviour was shown throughout the entire holiday. Well done, Year 6 - we are incredibly proud of you!

We are fortunate to have such wonderful staff at Aintree Davenhill, who give up their free time, and time with their own families to provide our children with these fantastic opportunities. Thank you to all of them!

Well Done!

A huge 'well done' to Elliot in 6E who fought at the International Brazilian Jiu-Jitsu Federation Championship in Italy recently and was awarded an impressive bronze medal. What a fantastic achievement!

Another huge 'well done' to Jax in 5C! Jax attended the World Kickboxing Organisation's European Championships in Barnsley recently. There were thousands of children there - it was a very popular event but Jax's gym won 18 golds in total. Jax won a gold in the 9-11 age group, 35-40kg weight group. Well done, Jax!

A final huge 'well done' goes to Reuben in 5C who had a busy holiday! He completed a 3-day tournament at the US Kids Golf European Championships in Scotland where he represented Great Britain competing with some of the world's greatest 10-year-old golfers from across the globe. Despite the wind and challenging course, he ranked in the top 30 which is an unbelievable achievement. Reuben displayed tenacity and mental resilience to get through and will now participate in the World Championships in July. Reuben's success didn't end there, he then played in a different tournament in Warwickshire called the Faldo Series. Reuben competed against two thousand other British children in order to qualify for the grand final at the Belfry in August, where he will meet Nick Faldo and other professional golfers.

Boys' Football

Before half term, the boys football team played at home against Green Park Primary School. Both teams worked incredibly hard to find space and close down the opposition. Davenhill scored an early goal which resulted in a tense first half. The second half began brightly with excellent passing and movement. The pressure eventually paid off for Davenhill and they scored another goal. This was a fantastic game with all the boys working incredibly hard and they were excellent representative for Davenhill. An excellent game ending with a 2-0 win to Davenhill.

Allergy Awareness

During our Infant and Junior assemblies last half term, we talked to the children about allergies to promote good 'Allergy Awareness'.

The aim of the assemblies is to help the children learn and understand:

- * what allergies are and what can cause them
- * how allergies can be treated
- * how to be empathetic towards others with an allergy
- * the importance of having safe eating habits to keep everyone in our school community safe

Further information about allergies can be found via this link:

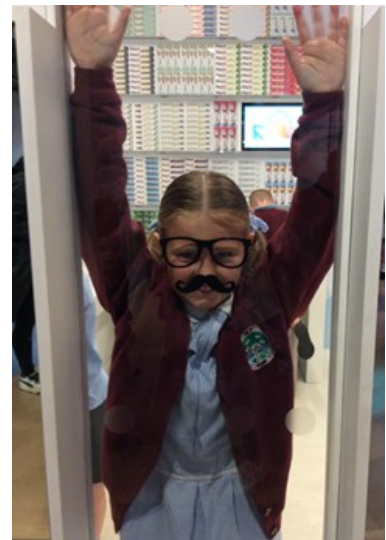

<https://www.allergyuk.org/about-allergy/>

Creative Nature who have provided us with the assembly resources are offering our families 25% DISCOUNT on their website using the code AINTREEDAVENTHILL25. In their own words, "We are a top 14 allergen free company who have a delicious range of Baking Mixes, Snacks and Confectionery. We hope your children loved the assembly and came back talking all about allergies. We would love you to give our allergen snacks a go so everyone can enjoy them together, they're not just for people with allergies they're for everyone!"

Year 2 Trip – Eureka Science & Discovery Museum

What a fantastic day Year 2 had at Eureka Science Museum last week! The children enjoyed a fun filled, interactive and hands on experience, supporting all of the Science work they have covered throughout the school year. The highlight of the day was certainly the Gross Science Show, where volunteers helped to demonstrate the important roles that all of our bodily functions play – including vomit and saliva (to name a few of the less gross ones only!!) The children had access to a range of zones throughout the day, which included forces, the body and homes. A fantastic day was had by all! The children behaved impeccably and were such a credit to our school. Well done Year 2, we're very proud of you!

House Team Competition

This week, the winning team was **MILL!** Well done!

1. MILL (1909 points)
2. ROSE (1835 points)
3. ABBEY (1768 points)
4. VALLEY (1579 points)

Sefton Social Care Advice Line for SEND

In recognition that families of children and young people with complex needs and special educational needs often need a bit more support, Sefton has launched a Social Care Advice Line for SEND.

This advice line is staffed by two experienced social workers with a good knowledge of the Local Offer in Sefton. Parents are invited to use this phone number to find out more about what a Social Care assessment for a child entails to help families make an informed decision before approaching Social Care, and to talk about what other help might be available. Voicemails will be responded to within 7 days at which point the social worker will return the call for a discussion.

The telephone number for our Social Care Advice Line for SEND is **0151 934 2196**.

The social workers will not create a referral or record any family details when families ring for advice using this phone number.

All referrals for social care assessment or concerns about a child should continue to be referred through our Integrated Front Door.

Please note, this number is **not** the contact number for the duty social worker in our Children with Complex Needs service and should not be used for this purpose.

Team Around the School

Janie Cowley, an Early Help Worker, and Bryony McIntyre, a social worker, will be in school every Wednesday. If any parents would like to drop in and ask for any help or support, they would be more than happy to speak to you. If you would like to call them instead, their work numbers are below:

Janie Cowley - 07815645471

Bryony McIntyre - 07967334387
